I can't believe she's gone  
I can't believe  
That we are not together anymore  
Something in her eyes  
I've never seen before  
It took me by surprise  
When she said  
"I'm not in love anymore"  
Oh baby I keep holding on  
Can't let go please let me know

Why does it rain  
Why does it hurt  
Please God explain  
'Cause I don't understand  
Love made me fly  
Now I just cry  
Please tell me why  
Why does it rain

We used to be as one  
We never were apart  
The sun was always shining  
In my heart  
Now those days are gone  
I miss the love we had  
No one ever told me  
Life could be so sad  
Oh baby I keep holding on  
Can't let go please let me know

Why does it rain  
Why does it hurt  
Please God explain  
'Cause I don't understand  
Love made me fly  
Now I just cry  
Please tell me why  
Tell me why does it rain

I keep holding on  
Can't let go please let me know

Why does it rain  
Why does it hurt  
Please God explain  
'Cause I don't understand  
Love made me fly  
Now I just cry  
Please tell me why  
Why does it rain

Please God explain,  
'Cause I don't understand  
Love made me fly  
Now I just cry  
Please tell me why  
Why does it rain
