Maybe you'll fall in love with me domani
Maybe tomorrow night the sun will shine
I'll change my name from Johnny to Giavonni
If you will say Domani, you'll be mine
Come to me, Senorina from Italy,
Hear my plea and I'll hire the hall
All your uncles and aunts and ma and pa and your
paisani
They all agree that we should wed domani
You are so super duper bravissimo
Don't say no or my poor heart you'll break
Cause your uncles and aunts and your ma and pa and
your paisani
They all agree that we should wed domani
