Show me a mountain  
I'll make it a hill  
Show me the dark night  
I'll turn it to day

Show me a landslide  
I'll make it stand still  
Show me your worry  
And I'll chase it away

[CHORUS]

'Cause I've got love  
Yes I've got love  
I've got love the whole day long  
Someone loves me, really loves me  
And her love is making me strong  
Her love is making me strong

Bring me a cyclone  
I'll make it a breeze  
Bring me the thunder  
I'll make it a sigh

Bring me some acorns  
I'll build ya some trees  
Bring me a heartache  
And I'll make it fly

[Repeat CHORUS]

Sing me a sad song  
I'll give a beat  
Show me a gray sky  
I'll turn it to blue  
I'll take December  
Fill it with heat  
There just ain't nothin' that I couldn't do

[Repeat CHORUS]

Yeah, her love is making me strong!
