Hey mama, mama guitar  
Hey hey mama guitar  
Sweet mama, mama guitar  
I love my mama guitar

Mama guitar beats a woman every time  
A mama guitar beats a woman every time  
You can strum her, you can thump her  
You can throw her on the floor  
You can kick her, you can dump her  
But she'll only love ya more  
A mama guitar beats a woman every time

Hey mama, mama guitar  
Hey hey mama guitar  
Sweet sweet mama, mama guitar  
I love my mama guitar

A mama guitar beats a woman every time  
Now a mama guitar beats a woman every time  
You can walk away and leave her  
And she won't sneak out and cheat  
You can take her on your travels  
'Cause she never has to eat  
A mama guitar beats a woman every time

(Hey mama, mama guitar)  
(Hey mama guitar)  
(Sweet mama, mama guitar)  
(I love my mama guitar)

Now a mama guitar beats a woman every time  
I said a mama guitar beats a woman every time  
You can tease her, you can squeeze her  
Make her sing out sweet and blue  
And if the strings get rusty you can trade her in for new  
A mama guitar beats a woman every time

Hey mama, mama guitar  
Hey mama guitar  
Sweet mama, mama guitar  
I love my mama...

I love my mama...  
I love my mama...  
I love my mama...  
I love, love, love,  
Love, love, love, love, love  
Love my mama guitar

Love my mama guitar!
