"Suddenly There's A Valley"

When you've climbed
The highest mountain
When a cloud holds
The sunshine in

Suddenly, there's a valley
Where the earth knows
Peace with man

When a storm hides
The distant rainbow
And you think you
Can't find a friend

Suddenly, there's a valley
Where friendships never end

Touched only by the seasons
Swept clean by the waving grain
Surveyed by a happy bluebird
And kissed by the falling rain

When you think
There's no bright tomorrow
And you feel you
Can't try again

Suddenly, there's a valley
Where hope and love begin
Suddenly, there's a valley
Where hope and love begin
