[Missy]

Uhh, uhh

Yo, yo, yo, freeky-freeky

Yo-yo, uhh, S-S W-W V

Uhhhh-huh, ah one-two

Uhh, ya know

Freeky-freeky, uhh, ya know

One, one, uhh, freeky-freeky uh

[Verse One]

Can it be I've stayed away too long

Did I leave your mind when I was gone

It's not my thing trying to get back

But this time let me tell you where I'm at

[Verse Two]

You don't have to worry 'cause I'm coming

Back to where I should have always stayed

And now I've learned the meaning to your story

And is it not enough for me to stay

[repeat Verse One]

[Chorus]

I wanna be where you are oh

Any where you are oh

I wanna wanna be where you are oh

Everywhere you are oh

[Verse Three]

Please don't close the door to our future

There's so many things we haven't tried

I will love you better than I used to

And give you all the love I have inside

[Chorus]

I wanna be, I wanna be, oh

I wanna be, I wanna be, oh

I wanna be, I wanna be, oh

I wanna be, I wanna be, oh

[Chorus] - repeat until end
