Through the raging fire, I never lost my sight
Hey, oh yeah, hurricane's around me
I never lost my sight, hey, oh yeah

I keep walkin', I keep walkin', 'cross the battlefields
Till I'm rollin', till I'm rollin' on a burnin wheel
Keep on knocking, keep on knocking off the enemy
Till I'm closin', till I'm closin' in

On victory if you're ask'in', if you're askin'
Where I'm headed for
Well, you ain't felt the kind of love I had before

I keep drivin', I keep drivin' through the poundin' rain
Till I'm drownin', till I'm drownin' in your love again
Through the raging fire, I never lost my sight
Hey, oh yeah, tangled in the wires
I never lost my fight, ho, hey, hey

Through the raging fire, I never lost my sight
Hey, oh yeah, hurricane's around me
I never lost my sight, hey, oh yeah

I keep walkin', I keep walkin' 'cross the battlefields
Till I'm rollin', till I'm rollin' on a burnin' wheel
Keep on knocking, keep on knocking off the enemy
Till I'm closin', till I'm closin' in

On victory if you're askin', if you're askin'
Where I'm headed for
Well, you ain't felt the kind of love I had before
I keep drivin', I keep drivin' through the poundin' rain
Till I'm drownin', till I'm drownin' in your love again

Can't shake me, can't shake me 'cause I know you want
it
Can't shake me, can't shake me 'cause I know you want
it
Can't shake me, can't shake me 'cause I know you want
it
Can't shake me, can't shake me 'cause I know you want
it

Through the raging fire I never lost my sight
Sacrificed desire, I never lost my fight
Through the ragin' fire I never lost my sight

Through the raging fire I never lost my sight
Sacrificed desire, I never lost my fight
Through the ragin' fire I never lost my sight

Through the raging fire I never lost my sight
Sacrificed desire, I never lost my fight
Through the ragin' fire I never lost my sight
