And on a Monday, I'm gonna love ya
And on a Tuesday, I'm gonna hug ya
And on a Wednesday, Thursday, Friday
Saturday, Sunday, gonna love ya

I work for you, baby, work my hand to the bone
Care for you, baby, till the cows come home
Do for you, baby, for the love that I seek
Slave for you, baby, every day of the week

(And on a Monday)
Scrub your dirty floor
(On a Tuesday)
I do a whole lot more
(On a Wednesday)
I wash your dirty clothes
To have a little lovin' 'fore the weekend goes

And I'll be, your seven day fool
(I'll be)
And I'll be, your seven day fool
(I'll be)
And I'll be, your seven day fool
(I'll be)
Only because I really love you

And on a Monday, I'm gonna love ya
And on a Tuesday, I'm gonna hug ya
And on a Wednesday, Thursday, Friday
Saturday, Sunday, gonna love ya

I work for you, baby, work my hand to the bone
Care for you, baby, till the cows come home
Do for you, baby, for the love that I seek
Slave for you, baby, every day of the week

(And on a Thursday)
I'll treat you, oh, so kind
(And on a Friday)
I'll take you out to dine
(And on a Saturday)
I'll work double time

If you'll only say you're be mine

And I'll be, your seven day fool
(I'll be)

And I'll be, your seven day fool
(I'll be)

And I'll be, your seven day fool
(I'll be)

Only because I really love you

(On a Monday)

Ya ya, I'm gonna love ya

(Tuesday)

Oh, I'm gonna hug ya

(Wednesday, Thursday, Friday, Saturday)

Oh, give me all of that love

(And on a Monday)

I scrub your dirty floor

(On a Tuesday)

I do a whole lot more

(On a Wednesday)

I wash your dirty clothes

To have a little lovin' 'fore the weekend goes

And I'll be, your seven day fool
(I'll be)

And I'll be, your seven day fool
(I'll be)

And I'll be, your seven day fool
(I'll be)

Only because I really love you

And on a Monday, I'm gonna love ya

And on a Tuesday
