hey mr. president  
did you get my letter?  
I sent it a month ago  
but i guess it never even found you  
maybe you haven't been around to reply

hey mr. president  
how about the weather  
the winter is cold as hell  
is there a better way to reach you  
have you got anyone to speak to tonight

I thought i could drop by around nine o'clock  
We could have a late meal and go for a walk  
I've got nothing but stupid questions for you now

what'll we do if the tanks won't run  
and the bombs won't land  
'til they turn into sunlight  
gracefully washing the whole thing in yellow and blue  
I heard a rumor that the guns won't fire  
and the ships might sink and the people might smile  
better check it out, sir  
I swear it could be true

I swear it could be true

hey mr. president  
did you get my letter?  
a couple of friends wrote too  
but i guess they never even found you  
maybe they didn't make it down to your place

hey mr. president  
I know your busy  
but one day i'll get through  
and you could give me just a moment  
I know it's silly  
but i've so much to say

I thought you could stop by as soon as your free  
I could play you a song

you could read me a speech  
I could tell you about this crazy conspiracy

what'll we do if the tanks won't run  
and the bombs won't land  
'til they turn into sunlight  
gracefully washing the whole thing in yellow and blue  
I heard a rumor that the guns won't fire  
and the ships might sink and the people might smile  
better check it out, sir  
I swear it could be true

I swear it could be true
