Every heartache that you have
The way you barely even laugh
You feel so insecure
But honestly don't you know
All the stuff that makes you feel so bad
You gotta throw it out the window

CHORUS

I've gotta tell you
You're beautiful to me
I've gotta show you
That you were made to be
Wonderful, can't you see
You're beautiful to me

Take a look into the mirror
Is it all becoming clearer?
It's so obvious
I believe if you try
You would be surprised what you'd find
I wish you could see yourself through my eyes

CHORUS

I've gotta tell you
You're beautiful to me
I've gotta show you
That you were made to be
Wonderful, can't you see
You're beautiful to me

I know that it hurts
But I know what you're worth
A picture of perfection by design
And you are mine

CHORUS

I've gotta tell you
You're beautiful to me
I've gotta show you
That you were made to be
Wonderful, can't you see

You're beautiful to me
