I used to smoke my brains out
Fly thru the sky
I used to freak out
Didn't wondered why
I heard the Stones a rollin'
And I'd roll too
I didn't care what I was doin'
As long as I was with you

I was blown (woo woo)
And that's what you are now
I was blown (woo woo)
Didn't care why or how
I was blown (woo woo)
Ran and jumped and screamed
I was blo-o-own
Right inside a dream

I used to tell my story
Right out loud
I sure was in my glory
I sure was proud
But then one day I fell down
I couldn't get up
People crowdin' all around
That was when they locked me up

I was blown (woo woo)
And that's what you are now
I was blown (woo woo)
Didn't care why or how
I was blown (woo woo)
Ran and jumped and screamed
I was blo-o-own
Right inside, Right inside
Right inside a dream
(Repeat again)

I was blown (woo woo)
I was blown (woo woo)
I was blown blown blown (woo woo)

(Variously repeated til the end)
