Do, do, no, no, oh, oh, oh no

I don't watch sad reruns, I wanna feel the new day that

And if I make mistakes, well that's alright I'd rather fall and take the sting then let somebody clip my wings

I know eventually I'll learn to fly, yeah, yeah

I see the world, how it could be dreaming in color It looks so beautiful to me dreaming in color In reds and blues, a thousand hues coming in clear and bright

We don't have to live in black and white, dreaming in color

When everything is lookin' gray and nothing's really goin' my way

Everybody tells me that I shoot too high I don't let it shake me, no, no there's a secret place that Igo

All I have to do is stop and I close my eyes, yeah, yeah

I see the world, how it could be dreaming in color It looks so beautiful to me dreaming in color In reds and blues, a thousand hues coming in clear and bright

We don't have to live in black and white, dreaming in color

It's there to touch, it's there to feel The world I've been dreamin' of One day I will make it real

I see the world, how it could be Yeah, yeah and I close my eyes, yeah, yeah, yeah

I see the world, how it could be dreaming in color It looks so beautiful to me dreaming in color In reds and blues, a thousand hues coming in clear and bright
We don't have to live in black and white, dreaming in color
