Na, na, na, na, na, na, na, na, na

When I'm with you, I feel a rush
'Cause I've never liked anyone so much
Everybody says that it's just a crush
But I think it's something more

Sunny skies or cloudy days
You only seem to make them great
Letting you know might be a mistake
But that's what being young is for

It's not because I'm bored or lonely
I just want to be your one and only

Na, na, na, na, na, na, na, na, na
Feels like falling
Na, na, na, na, na, na, na, na, na
Feels like falling in

Who knows, this could be the one
It's way too good to be outdone
Now I don't really want to jump the gun
But I can't help fallin' in

It's not because I'm bored or lonely
I just wanna be your one and only, yeah

Na, na, na, na, na, na, na, na, na
Feels like falling
Na, na, na, na, na, na, na, na, na
Feels like falling in

Na, na, na, na, na, na, na, na, na
Feels like falling
Na, na, na, na, na, na, na, na, na
Feels like falling in

Straight into the ever after
Out of a story's ending chapter
Or this could be a huge disaster
If I start fallin' any faster

Na, na, na, na, na, na, na, na, na
One, two, three, four

Na, na, na, na, na, na, na, na, na
Feels like falling
Na, na, na, na, na, na, na, na, na
Feels like falling in

Na, na, na, na, na, na, na, na, na
Feels like falling
Na, na, na
