Walked in thru the brass door  
Of an unassuming bar  
Bought a drink, mixed around  
Same routine so far  
I saw her, she saw me  
Then she smiled openly  
I sat too long  
The chance was gone  
But she didn't wait  
Saw me hesitate  
She drew right in

I'm in love, I'm in love  
I'm in love, I'm in love

Said she'd seen to many  
Mixed up scenes before  
To ever think of love  
Til tonight, you walked in  
I saw you, you saw me  
You got those things I've never seen  
Said she knew I'd take all night to make a move  
She had more in sight than being polite  
I said, me too

I'm in love, I'm in love  
I'm in love, I'm in love

Oh baby what'cha do to me  
Everything feels alright  
I never knew it could be this way  
Til we got lucky that night  
I'm in you, you're in me  
Just one thought, just one need  
Then I knew what it was I had to do  
Cause it came to me  
That all I need in life, is you

I'm in love, I'm in love  
I'm in love, I'm in love

Love  
I'm in love, I'm in love  
Love  
I'm in love
