[Verse 1:]

Ain't got no trouble in my life
No foolish dreams to make me cry
I'm never frightened or worried
You know I always get by

[Pre-chorus 1:]

I heat up
I cool down
When something gets in my way I go around it
I don't let life get me down
I'm gonna take it the way that I found it

[Chorus:]

I got the music in me
I got the music in me
I got the music in me
Yeah
I got the music in me
I got the music in me
I got the music in me

[Verse 2:]

You say that life is a circle
But that aint the way that I found it
gonna move in a straight line
Keeping my feet firmly on the ground

[Pre-chorus 2:]

I heat up
I cool down
I got words in my head so I sing them
I don't let life get me down
Can't hold onto my blues so I play them

[Chorus:]

I got the music in me
I got the music in me
I got the music in me
Ya, ya
I got the music in me

I got the music in me
I got the music in me

Feel funky
Feel good
Gonna tell ya I'm in the neighborhood
Gonna fly like a bird on the wing
Hold on to your hat hey sing sing sing sing
oh oh oh oh uh oh oh oh oh uh oh oh oh oh oh
I got the music uh oh oh

[Chorus:]

I got the music in me
I got the music in me
I got the music in me
Ya, ya, ya
I got the music in me
I got the music in me
I got the music in me
I got the music (in me)
I got the music in me
I got the music (in me)
I got the music (in me)
I got the music, pretty music
I got the music in me
I got the music (in me)
I got the music (in me)
I got the music in me
I got the music (in me)
I got the music (in me)
I got the music in me
I got the music (in me)
I got the music (in me)
I got the music in me
I got the music
I got the music in me, ya
