\*Chorus\*

To be free come with me, it's a joyride  
Love's a sweet remedy, it's a joyride  
Follow me you will see it's alright  
We'll fly so high on this joyride

You see me and you wonder how I got like this  
And maybe if you had it all you could comprehend  
You say that life's a trip, you can't take anymore  
So come with me, you will see  
The very thing you're searching for

Life is a joyous ride if you want it to be  
I'll take you to the other side and maybe you will see  
Leave all the pain behind, there's a greater love  
Eternity's no mystery, you'll find the hope you're  
dreaming of

There's so much more, just take it from me  
You will see  
It's the answer, it's your destiny

(chorus)

I know you feel alone like nobody cares  
You don't know which way to go but the answer's right  
there  
Come on and free your soul, leave the past behind  
Just take my hand, you'll understand that now's the  
time to fly so high

There's so much more, just take it from me  
Turn your dreams into reality

(chorus)

oh yeah yeah all right  
Joyride

to be free come with me joyride  
loves a sweet remedy it's a joyride

follow me you will see its all right  
we'll fly so high on this joyride

Oh yeah joyride  
Oh yeah all right  
follow me you will see its all right  
we'll fly so high on this joyride

to be free come with me joyride  
loves a sweet remedy it's a joyride  
follow me you will see its all right  
we'll fly so high on this joyride
