Good Bye, hard life
Don't cry, would you let it ride
Don't cry, would you let it ride

You can't see the mornin, but I can see the light
Ride ride ride, let it ride
While you've been out runnin
I've been waitin half the night
Ride ride ride, let it ride

(CHORUS)

And would you cry if I told you that I lied
And would you say goodbye or would you let it ride
And would you cry if I told you that I lied
and would you say goodbye or would you let it ride□

Babe, my life is not complete, I never see you smile
Ride ride ride, let it ride
Baby you want the forgivin kind and that's just not my
style
Ride ride ride, let it ride

(CHORUS)

I've been doin things worthwhile, you've been bookin
time
Ride ride ride, let it ride

(CHORUS)

Would you let it ride, would you let it ride
Would you let it ride, would you let it ride

Drive drive drive, let it ride
Drive drive drive, let it ride
Drive drive drive, let it ride
Drive drive drive, let it ride
Drive drive drive, let it ride

Would you let it ride, would you let it ride
Would you let it ride, would you let it ride
