Yeah, yeah

When you wish upon a star
Your dreams will take you very far
When you wish upon a dream
Life ain't always what it seems, oh yeah

If what you see, you'd like to clear
In the sky so very dear

You're a shining star
No matter who you are
Shining bright to see
What you can truly be

Shining star come into view
Shine its watchful light on you
Gives you strength to carry on
Make your body big and strong, oh, yeah

So if you find yourself in need
Why don't you listen to His words of heed
Be a tiny grain of sand
Words of wisdom, yes, I can

You're a shining star
No matter who you are
Shining bright to see
What you can truly be

You're a shining star
No matter who you are
Shining bright to see
What you can truly be

Shining star for you to see
What your life can truly be
Shining star for you to see
What your life can truly be
Shining star for you to see
What your life can truly be

Shining star, shining star
Shining star for you to see
Shining star for you to see

You're a shining star
No matter who you are
Shining bright to see
What you can truly be

Shining star for you to see
What your life can truly be
Shining bright to see
What you can truly be

Shining star for you to see
What you life can truly be
Shining bright to see
No matter who you are
What you can truly be

Shining star for you to see
What your life can truly be
