Guess who just got back today
Them wild eyed boys
Headed through the way
Haven't changed, had much to say
But man, I still think them cats can play
They were asking if you were around
How you was, where you could be found
Told them you living were downtown
Driving all the old men crazy

The boys are back in town
The boys are back in town
I said
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

Y'know that chick who used to dance a lot
Every night she'd be on the floor
Shaking what she got
Man, what I tell you she was cool
She was red hot, I mean she was steaming
And that time over at Johnny's time
Well this chick got up and she slapped Johnny's face
Man we just fell about the place
If that chick don't wanna know, forget her

The boys are back in town
The boys are back in town
I said
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

Spread the word around

Guess who's back in town

Yea, spread the word around

Friday night they'll be dressed to kill
Down at Dino's bar and grill
The drink will flow and blood will spill
If the boys wanna fight you better let 'em
That two bucks in the corner blasting
Out my favorite song
The nights are getting warmer and long
Wont be long until summer comes

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
[Until Fades]

The boys are back in town again
They're hanging out at Dino's
The boys are back in town again
