Why do I do the things I do?
Sometimes I feel like I am so insecure.
If I could learn a thing or two from you,
then popular opinion I could ignore.

You are enough for me, I don't need anything but you.
Ya.
You are enough for me, and I don't need anything,

CHORUS

Cuz' you have given me more than I could ask for,
more than I could ever imagine.
And you keep givin' me love,
you keep on liftin' me up,
it doesn't get any better.

Why do I do the things I do?
Lord, everyday is showing me something new.
I need to slow down, need to learn from you.
Cuz' you're the only one I should listen to.

You are enough for me, I don't need anything but you.
Ya.
You are enough for me, and I don't need anything,

CHORUS

Cuz' you have given me more than I could ask for,
more than I could ever imagine.
And you keep givin' me love,
you keep on liftin' me up,
it doesn't get any better.

Lord you show me how,
to do it right, that comes around.
Even when I'm down,
I can count on you to help me stand my ground.

Cuz' you have given me more than I could ask for,
more than I could ever imagine.
And you keep givin' me love,
you keep on liftin' me up,

it doesn't get any better.

CHOURUS

Cuz' you have given me more than I could ask for,
more than I could ever imagine.

And you keep givin' me love,
you keep on liftin' me up,
it doesn't get any better.

You keep givin' me love,
you keep liftin me up.

You keep givin' me love,
you keep liftin' me up.

You keep givin' me love,
you keep liftin' me up.

You keep givin' me love,
you keep liftin' me up.
