When me and my friends go out on the town
We can't sit still. We can't sit down
We don't like to fight and we don't like to scuffle
Dancin' all night doin' the Curly Shuffle

Hey, Moe. Hey, Moe.
Well, a nyuk-nyuk-nyuk-nyuk.
La-le-li-li
woo-woo-woo-woo
Well, we never miss a chance
We get up and dance and do the Curly Shuffle

Well, me and my friends love Larry and Moe
We love Curly's brother Shemp and his fat clone Joe
It's such a delight to boogie and hustle
Dancin' all night doin' the Curly Shuffle

Hey, Moe. Hey, Moe.

Well, a nyuk-nyuk-nyuk-nyuk.
We-be-be-be-be-be
Oh, a wise guy
Well, we never miss a chance
We get up and dance and do the Curly Shuffle

Well, me and my friends-we all love to see
Comedy classics on late night TV
Those knuckleheads always get in a scuffle
A push and a shove doin' the Curly Shuffle

Hey, Moe. Hey, Moe.
Well, a nyuk-nyuk-nyuk-nyuk.
Look at the grouse, Look at the grouse
Ruff-Ruff-Ruff-Ruff
Well, we never miss a chance
We get up and dance and do the Curly Shuffle
