All I Can Do

By: Jump5

(It's like I got nothing to do but think about you)

Every day is a ney day,
And I don't have to pretend,
All my friends think I'm crazy,
But I don't want this to end....

When I have the chance,
I wanna say to you,
Wishin' I could take back what I put you through,
I'll never do it again.
We're like oil and water,
Still, we somehow mix.
And what used to be broken,
Is somehow fixed,
It's hard to explain....

I know some people say,
That opposites attract.
If that's the truth than we,
We will be together forever....

(chorus)
It's like I got nothing to do,
But think about you.
I've got all the time in the world.
If you look in my heart,
You'll know from the start,
That it's all I can do,
Not to think about you.

I gave you a good reason,
To walk out that door.

Let me tell ya,
I've learned a think or two.
And I'm so amazed at the things ya do.
Now, don't let me go,

Oh, No.

I know some people say,
That opposites attract.
If that's the truth then we
Were meant to be together forever.

(chorus)

I know some people say,
That opposites attract.
If that's the truth then we,
We belong together forever.

(chorus)
