Every heartache that you have, the way you barely even
laugh, you feel so insecure, but honestly don't you
know, all the stuff that makes you feel so bad, you
gotta through it out the window, yeah

Chorus

I gotta tell you, your beautiful to me
I gotta show you, that you were meant to be
Wonderful, can't you see?
Your beautiful to me

Take a look into the mirror, Is it all becoming clearer?
It's so obvious, I believe if you tried, you would be
surprised what you'd find, i wish you could see yourself
through my eyes, yeah

Chorus

I know that it hurts but I know what you're worth a
picture of perfection I designed and you are mine
Chorus 2x
Your so beautiful (your beautiful to me), your so
beautiful (beautiful, beautiful to me)
