Come on, Come on, Come on
Come on and dance with me.

Come on, Come on, Come on

Come on and dance with me,

Hey, Hey, Hey!

Come on, Come on, Come on
Hey, Hey!

Come on and dance with me.

Hey, Hey, Hey!

I tell you something, you gotta know it's true.

From the first moment I laid eyes on you.
Saw something special, saw something I need,

Something so special it's hard to believe.

Some things in life, you know you just can't explain,
The rest, you just don't need to know.

Chorus:

Come on and dance with me,

Dance with me tonight.

We're gonna bring the house down,

Until the daylight.

So give me a reason, give me a sign.

Let's get this party started,

Come on and dance with me tonight.

(end chorus)

Come on, Come on, Come on

Yeah! Yeah!

Come on and dance with me.

Hey, Hey, Hey!

With just a smile,

You can make my knees weak,

Forget my name every day of the week.

You make me crazy,

With the things you can do,
My head is spinning with thoughts of you.

Now here he comes, he's walking over to me,

Is he real or is he fantasy.

(chorus)

Dance with me.(come on and dance)

Dance with me.(come on)

Dance with me.(come on and dance)
Dance with me.

(chorus)

(repeat chorus)

(repeat chorus)

Let's get this party started!
