All the people are asking me  
What on earth are you going to see?  
But you will never know it yet  
And I can't tell you the secret

Bridge:  
But I tried so hard to tell you  
Until you can't tell what I got you

Chorus:  
Everytime you ask me  
I walk away from you  
'Cause you're always  
Trying to keep up the  
Way you tell me now  
And everytime you walk  
Away from me I tried to  
Know what they see but  
I can make this easy for  
You...but I can tell you this  
When you can call me everytime  
Everytime

The sun is rising and the birds are singing  
There is nothing we can do to help you out  
I never know what you're going to do but  
I can not tell you what you're reaching me  
Through

Bridge:  
Oh, but I tried so hard to tell you  
Until you can't tell what I got you

(Chorus 2x)

La la la la la  
La la la la la  
La la la la la  
La la la la la

(Fade Chorus)
