I never knew your Saturday
or your two a.m.,
or your last goodbye

I never knew your final words
too insincere
to honestly reply

I never knew
your easily swayed
your one last try

I never knew
your long weekend
or your passing through
or your on my way

I never knew your obvious,
your predictable
or your what I can not say

I never knew your hidden concerns
your I can't stay

I said
I don't
know you
and you don't know me
and we're so happy

I never knew your long ago
or your once in time
or your fairy tale

I never knew your heroine
or your figurine
or your porcelaine detail

I never knew your story untold
one night unveiled

she walked into
this tragedy
and she never looked at me
I always lied
I'd watch her cry
and not ask why
