Who rocks the house?
We say that Jump 5 rocks the house
And when Jump 5 rocks the house
They rock it all the way down

How do I describe the feeling?
How do I begin to show?
How Your love is always changing?
Everything within my soul

You have opened up my heart
You have opened up my heart
Now Your love is rushing in

All I want is You
You're all I ever need
All I want to do
Is be with You forever

Who rocks the house?
We say that Jump 5 rocks the house
And when Jump 5 rocks the house
They rock it all the way down

Mercy flowing like the river
Love is falling like the rain
Pouring out Your grace upon me
I will never be the same

You have opened up my heart
You have opened up my heart
Now Your love is rushing in

All I want is You
You're all I ever need
All I want to do
Is be with You forever

All I want is You
You're all I ever need
All I want to do
Is be with You forever

All I want is You
You're all I ever need
All I want to do
Is be with You forever

Who rocks the house?
We say that Jump 5 rocks the house
And when Jump 5 rocks the house
They rock it all the way down
