Somebody told me on the day
That he was born
We are to celebrate and sing
This Christmas song

It don?t really matter
All the presents get tattered
By this time next year
I didn?t really listen
Now I know what I?m missin?
It?s the reason why
We all tell the story

Verse 2

Finding the reason
Why it?s the season
On this holiday
Keeping traditions
Forget our ambitions
It?s the reason why
We all tell the story
