[Verse 1:]
You wanna be in the headline
Your name in black and white
You wanna go for the big time
Can't shake the feeling
You wanna walk in the limelight
And take the road by storm
You wanna reach for the highlight
And be the new thing

[Pre-chorus 1:]
I told you from the start
There's nothing wrong with what you said
But deep inside my heart
I wanna tell you

[Chorus:]
Mind your head
Get out of bed
Don't realize your own demise
You gotta redefine your state of mind
So take aspirin
The word has said you gotta mind you head

[Verse 2:]
You wanna be with the best of ??
Somebody nobody heard of
Who made the big time
You wanna see what ya can do
When running side by side
You wanna know will ya get through
And make the headline

[Pre-chorus 2:]
But if you want to learn
Then everything will be alright
Take on what's in the word
Don't let it feed you

[Chorus:]
Mind your head
Get out of bed

Don't realize your own demise
You gotta redefine
Your state of mind
So take aspirin
The word has said
You gotta mind you head
Get out of bed
Don't realize your own demise
You gotta re-define
Your state of mind
So take aspirin
The word has said
You gotta mind your head

You gotta mind your head

[Bridge:]
I try to tell you how it is
But you still disagree
When will you ever see
How faithfullness should be

Mind your head, realize

Be in the headline
Go for the big time
Walk in the limelight

Be in the headline
Go for the big time
Walk In the limelight

[Chorus:]
Mind your head
Get out of bed
Don't realize your own demise
You gotta redefine
Your state of mind
So take aspirin
The word has said
You gotta mind you head
Get out of bed
Don't realize your own demise
You gotta re-define
Your state of mind
So take aspirin
The word has said
You gotta mind your head
You gotta mind, you gotta mind, you gotta mind your head
