Dont try to make me make mistakes  
I won't forget  
I don't need you to tell me  
What i need to do  
Just give it time, you'll see that I, I have a mind  
And it's made up  
And it's made up

I wanna be friends with you  
Gonna do what i have to do  
Cause its right, ya its right, thats all right

*[chorus]*

Don't pressure me  
Dont push me too far  
I wanna do right with all my heart  
Don't pressure me  
What about your self-respect?  
Im not like that  
Im not like that

Dont have to prove  
Nothing to you  
There's no excuse  
I've got a faith you  
Need to take a second look  
My friend, you need to understand  
I have a mind  
And l'ts made up  
And l'ts made up  
I wanna be friends with you  
Gonna do what i have to do  
Cause its right, ya its right, thats all right

*[chorus x2]*

Don't pressure me  
Dont push me too far  
I wanna do right with all my heart  
Don't pressure me  
What about your self-respect?  
Im not like that  
Im not like that

Don't have any doubt  
What my life's about  
I'm gonna show you  
This is not my way  
You can't take that away  
Don't even try to

*[chorus x2]*

Don't pressure me  
Dont push me too far  
I wanna do right with all my heart  
Don't pressure me  
What about your self-respect?  
Im not like that  
Im not like that

Don't pressure me!
