Ladies and gentlemen

Everyone can see we're together
As we walk on by
And we fly just like birds of a feather
I won't tell no lie

All of the people around us they say
Can they be that close?
Just let me state for the record
We're giving love like a family dose

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

Living life is fun, we've just begun
To get our share of this world's delights
High hopes we have for the future
And our goal's in sight

No we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong, oh no, this is our family jewel

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

Get up everybody
Jump, here we go
Get up, get up
Get up, get up
Get up, get up

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing
