\*(welcome to our family time,(family time))

There is nothing complicated  
about the way we live  
we are here for each other, happy to give  
all we have we share  
and all of us we care  
so come on!  
welcome to our family time  
welcome to our brotherly time  
this is the best of all  
ya know the best of all  
we're here to share it all

If there is a problem between us  
nobody can explain  
It's a celebration of life  
we see friends again  
I'll be there for you  
I know you'll be there for me too

so come on!  
welcome to our family time  
welcome to our brotherly time  
this is the best of all  
ya know the best of all  
we're here to share it all

remember we love once departed  
someone need in your heart  
finding love, heading a future  
telling stories, loving with friends  
precious moments you'll never forget

this has to be the most beautiful,  
the most peaceful place  
I've ever been to  
It's nothing like  
I've never seen before

welcome to our family time  
welcome to our brotherly time  
we're happy

given an taken to the friends we're makin'  
there is nothing we won't do

welcome to our family time  
welcome to our happy to be time  
this is the best of all  
ya know the best of all  
we're here to share it...

best of all  
we're here to share it with all!  
(welcome to our familytime) (WELCOME TO OUR  
FAMILY)  
welcome to our berotherly time  
wen we shout it all (welcome to our family time)  
WELCOME TO OUR FAMILY
