Walkin' through the jungle just the other day.  
Mandin' my business and goin' my way,  
When I heard a loud noise like a big stampede,  
It was a bunch of wild bees... comin' right at me!  
All of a sudden, from out of the brush,  
Somethin' big hit me like a greyhound bus.  
When I picked myself up out of the dust  
I knew I'd been hit... by a hippopotamus.  
Suddenly I saw this mangy creature.  
Man, you'd never seen such ugly features.  
I said what are you, I'd like to know.  
He grinned at me and said Honk! I'm a dodo.  
(Dodo dodo doe doe doe doe doe doe)  
Here come a lion, the tale is here  
I said hey lion what's a goin' on there?  
He just kept goin' and he shook his mane.  
I said man this jungle... won't never be the same.  
I saw a screamin' ape clingin' to a vine.  
Swingin' through the jungle like he's lost his mind.  
He screamed at me and said hey have you heard?  
You better turn around and run... from that awful bird.  
Suddenly I saw this mangy creature.  
Man you'd never seen such ugly features.  
I said what are you I'd like to know.  
He grinned at me and said Honk! I'm a dodo.  
(Dodo, dodo, doe doe doe doe doe doe doe)  
I'm a dodo. (Honk)
