Lights are dim today  
And I'm sitting, waiting  
Padded cells are small  
Where memories are fading  
No one cares for me  
I got my injections  
And I feel the pain  
But can't show reactions

I'm locked in  
For reasons I can't see  
Just calmed down  
By shock therapy  
And they said  
That I don't fit in  
But one day  
I'm sure I'll win

"You are dangerous!"  
They said and they grabbed me  
Locked me in this cage  
Betrayed and backstabbed me  
'Cos I live my life  
Make my own decisions  
Got my points of view  
My law and religion

I'm locked in  
For reasons I can't see  
Just calmed down  
By shock therapy  
And they said  
That I don't fit in  
But one day  
I'm sure I'll win

Lights are dim today  
And I'm sitting, waiting  
Padded cells are small  
Where memories are fading  
No one cares for me  
I got my injections

And I feel the pain  
But can't show reactions
