Here we are  
Stalk the streets  
Day by day  
Dangerous  
Merciless  
Out for prey  
In our street  
We are law  
So obey  
Take your bucks  
Take your wife  
No espace

Chaingang  
Chaingang  
Chaingang  
Chaingang

Hello,  
Victims  
Give us all you've got  
We rape  
We kill  
We don't give a fuck

So watch out  
Where you go  
What you say  
We're the damned  
We're the lost  
We're decay  
We don't care  
'Bout your screams  
You'll submit  
Beg and bow  
Or we'll beat  
You to shit

Chaingang  
Chaingang  
Chaingang  
Chaingang

Shake with fear  
When we're near  
You can't hide  
Bow or die

Hello,  
Victims  
Give us all you've got  
We rape  
We kill  
We don't give a fuck

Chaingang  
Chaingang  
Chaingang  
Chaingang

Gangland's law - obey!
