Had sex on the first date crazy straight
\$50 show you crashed the gate crazy straight
All in on a hand of triple eights, crazy straight
Her double-D's are fake and of course you crazy
Straight
Punks jump up but you easily devastate
On the scene cops only speculate crazy straight
Found your copy of the Wraith crazy straight
She wants to do more than masturbate crazy straight
You got the hot game three weeks before release date
Then versus your boys you annihilate crazy straight
You arrive at a plane crash late crazy straight
Notice his gun is a fake crazy straight
Beautiful blink date turns out to be a heavy-weight
Only got a dollar but she already ate crazy straight

Bowlin' partners ass is perfectly shaped
No need to stipulate your definately crazy straight

(Chorus)

That's right what are we "We crazy straight"
Come on everybody "We crazy straight"
Scream it in there face "We crazy straight"
Don't try to instigate "We crazy straight"
When I say crazy you say straight
Crazy "Straight" Crazy "Straight"
When I say foo you say shuga luga wu
Foo "Shuga luga wu" Foo "Shuga luga wu"

Crazy straight and we don't stop
2 in the mornin' and we don't stop
4 in the mornin' and we don't stop

6 in the mornin' alright we stop

Yo, Special props to my daughter Samantha
Cause with her in my life I'm always Crazy Straight
