10:35 and I hope
I've made the right decision
My heart is beating
I'm alive but I don't call this living

Rationalize till I'm blue in the face
You cannot lose if you throw the race
I'm still searching for the
Ants invasion

10:36 and I hope
I've made the right decision
Ninety eight point four's the bore
With twenty-twenty vision

You want a thrill so you come and see me
A cheap line in fantasy
But I'm still searching for the
Ants invasion

If I'd the courage
I would make my way home
Too many antics in the forbidden zone

10:38 and I think
I've made the wrong decision
Another lifeless man
With a strange incision

I hope that insect doesn't see me
He's not renowned for his courtesy
I'm still searching for the
Ants invasion

The Ants invasion
The Ants invasion
The Ants invasion

...
