Antfan, there's no need to feel down  
I said Antfan, 'cos we ain't been around  
I said Antfan, there's no others in town  
who can do the things that we do

Antfan, there's a place you can go  
I said Antfan, called the Antmusic Show  
I said go there to Adam and the Ants  
they can make you start new romance

it's fun to go to the A.N.T.S.  
fun to go to the A.N.T.S.  
put on a kilt, dye your hair green  
and dance to Zerox-machine  
A.N.T.S.  
fun to go to the A.N.T.S.  
put on that paint, and hold up your head  
till all the tough men drop dead

Antfan, I was once in your shoes  
so tired, and fed up with the blues  
so I went and got me a sound  
and we called that sound Antmusic

no band does it just like we do  
I said no band gets to satisfy you  
go there to Adam and the Ants  
they can make you start new romance

fun to go to the A.N.T.S.  
fun to go to the A.N.T.S.  
put on a kilt, dye your hair green  
and dance to Zerox-machine  
A.N.T.S.  
fun to go to the A.N.T.S.  
put on your paint, and hold up your head  
till all the tough men drop dead

Antfan, what do you want to be  
nowhere, or an Ant just like me  
you can go there to Adam and the Ants  
they can make you start new romance

it's fun to go to the A.N.T.S.  
fun to go to the A.N.T.S.  
put on your kilt, dye your hair green  
and dance to Zerox-machine  
A.N.T.S.  
fun to go to the A.N.T.S.  
put on your paint, hold up your head  
till all the tough men drop dead

A.N.T.S.  
A.N.T.S.  
put on a kilt, dye your hair green  
dance to Zerox-machine  
A.N.T.S.  
fun to go to the A.N.T.S.  
put on that paint, hold up your head  
till all the tough men drop dead

A.N.T.S.
