Well, tie me up
And hit me with a stick
Beat me, beat me

Yeah, use a truncheon
Or a household brick, yeah
Beat me, beat me

There's so much happiness
Behind these tears
Beat me, beat me

I pray you'll beat me
For ten thousand years
Beat me, beat me

Oh well, now I'm black and blue
Baby I love you
Be your dog, for just one flog

You don't hear me plead
Make me bleed
Beat me, beat me

Well, use a truncheon
Or a cricket bat
Beat me, beat me

A good beating's
Really where it's at, yeah
Beat me, beat me

Oh well, now I'm black and blue
Baby I love you
Be your dog for just one flog

You don't hear me plead
Make me bleed
Beat me, beat me

Oh well, now I'm black and blue
I love you

Be your dog, for just one flog

You don't hear me plead

Make me bleed

Beat me, beat me

Alright muchachos
