Get on your back step where you belong  
Leave your shirt and tie undone  
Cajun twister all night long  
You fight so hard to get your name

What big eyes you got grandma  
On every tongue in every brain  
What big eyes you got grandma  
How in the hell can you complain?

What big eyes you got grandma  
Privacy's gone down the drain  
Get on your back step where you belong  
Leave your shirt and tie undone  
Cajun twister all night long

Pay attention  
You fight so hard to get your name  
What big ears you got grandma  
On every tongue in every brain  
What big ears you got grandma  
How in the hell can you complain?

What big ears you got grandma  
Privacy's gone down the drain  
You fight so hard to get your name  
What a big mouth you got grandma  
On every tongue in every brain

What a big mouth you got grandma  
How in the hell can you complain?  
What a big mouth you got grandma  
Privacy's gone down the drain

Get on your back step  
You fight so hard to get your name  
Please don't eat my leg grandma  
On every tongue in every brain

Please don't eat my leg grandma  
How in the hell can you complain?  
What a bore you pop stars are

Privacy's gone down the drain
