I feel suspended in space
In another time and place
To talk would burst the bubble

Just want to lie next to you
And appreciate the view
And hope it'd last forever

We do not have to play games
Or listen to all the names
They have for Russian roulette

If it's good enough for the Gemini guys
Then it's good enough for me

You can't set rules about love
You can't set rules about love

So the I becomes we
We make our own chemistry
To move is too much trouble

I hope we won't separate
Return to our normal state
As long as we're together

We do not have to play games
Or listen to all the names
They have for Russian roulette

If it's good enough for the Gemini guys
Then it's good enough for me

You can't set rules about love
No, no, you can't set rules about love

So if it's yes or it's no
Chime time, says the radio
Why don't you kiss me deadly?

If and when you slip away
Just don't let me hear you say

Good morning and goodbye

We do not have to play games
Or listen to all the names
They have for Russian roulette

If it's good enough for the Gemini guys
Then it's good enough for me

You can't set rules about love
You can't set rules about love
Oh no, you can't set rules about love
You can't set rules about

Resolution, the fourth and final part
(You can't set rules about love)
Resolution, after play with my heart
(You can't set rules about love)

Resolution, the fourth and final part
(You can't set rules about love)
Resolution, after play with my heart
(You can't set rules about love)

Resolution
