Cartrouble (Part I)

I've got a pizzaland complexion  
bright green sox  
I am the happy little face  
on the charity box  
but you don't look in my direction  
you always look away  
you thank the Lord God above  
you were not modelled my way

and then I woke up  
right in the middle of a horrible dream  
yes I woke up  
I dreamt I was a spastic, but my boots were clean

you are a solid instigator  
of the human code  
you held back the traffic  
while I crossed the road  
but please don't try to be a martyr  
the good samaritan play  
because my silly cuban heels  
will give your games away

and then I woke up...  
right in the middle of a horrible dream  
yes I woke up  
I dreamt I was a spastic, but my boots were clean  
I woke up  
I woke up

pray for me (x4)

then I woke up,  
right in the middle of a  
I woke up  
I woke up

(Part II)

have you ever had a ride in a light blue car?  
have you ever stopped to think who's the slave and  
who's the master?  
have you ever had trouble with your automobile?  
have you ever had to push push push push?  
cartrouble

you might have seen them very busy at the weekends  
(oh oh)  
licking and polishing the beep-beeps into shape  
and then its proudly up the M1 M2 M3  
and keep your feet off the upholstery Ronnie  
cartrouble oh yeah

and remember this:  
you don't need anything after an icecream

I used to sit at home silently and wonder  
why all the preference is polishing the chrome  
while all the mothers and the sisters and the babies  
sit and rot at home  
cartrouble oh yeah

and remember this: (on your way home)  
you don't need anything after an icecream

car carcar trouble car carcar trouble ...  
(repeat till end)
