Charge of the Heavy Brigade

Well you're standing there so pained and oh so torn  
Just as naked as the day that you were born  
Well, the 50's and the 60's were all right  
But baby, this is this, let's go out tonight  
New romantic very twee  
I'd rather that not include me

If you wanna take a picture, then you ask  
Maybe show a little quality at last  
I feel sure the time will come and you will know  
What it's like to be the star of your very own show  
Time a change was made  
It's the charge of the heavy  
Charge of the heavy brigade  
Charge, charge, charge of the heavy brigade

So why not have a few laughs and go on home  
You never, ever leave well enough alone  
The 70's and 80's were real fine  
But pretty baby, you show me yours  
And I'll show you mine  
Disco-frantic very twee  
I'd rather that not include me

If you wanna take a picture, then you ask  
Maybe show a little quality at last  
I feel sure the time will come and you will know  
What it's like to be the star of your very own show  
Time a change was made  
It's the charge of the heavy  
Charge of the heavy brigade  
Charge, charge, charge of the heavy brigade

There is not a reason why  
People have to do or die  
Politicians scream and roar  
Let's go out and fight a war  
Meanwhile you walk and you're voting number one  
It's just above the Brooklyn Bridge

Well, in that case, just for fun  
Twister!

If you wanna take a picture, then you ask  
Maybe show a little quality at last  
I feel sure the time will come and you will know  
What it's like to be the star of your very own show

You got a body oh so capable of trouble  
Lovers running round this town, oh at the double  
So why not make the 90's a big winner?  
Balancing somewhere between saint and a sinner  
Bring outside the hard-luck story  
Statuesque and what price glory?

If you wanna take a picture, then you ask  
Maybe show a little quality at last  
I feel sure the time will come and you will know  
What it's like to be the star of your very own show  
Time a change was made  
It's the charge of the heavy  
Charge of the heavy brigade  
Charge, charge, charge of the heavy brigade
