Adam ant/marco pirroni

People come people go, how long I'll stay I just don't
know
When showbiz is a dirty word, I hope my time will come

Crackpot history and the right to lie

People love people hate, for my downfall they just can't
wait
When showbiz is a dirty word, I hope my time will come

Crackpot history and the right to lie

I wish that everyone could see a show by liza minnelli
Such a marvellous lady with talent by the ton

Crackpot history and the right to lie

People lie people hurt, like to read their sunday dirt
So every jeckyll needs a hyde to blame the business on
Crackpot history and the right to lie

Every rebel that I've met say they're going to die and
yet
I see them now and they ain't dead yet, and pushing
forty one

Crackpot history and the right to lie

Pumping is a splendid gift, I hope you will catch my
drift
Some like pumping in the lift, just like the scottish
tongs

Crackpot history and the right to lie

There is nothing like the sound of a nicely laundered
pound
Trying to collect around forty million

Crackpot history and the right to lie
