If you have a social problem
Prospects of success are slim
We just hope that you will telephone
Say 'Hello; is Heinrich in?'

We will send a representative
Don't be frightened when they call around
For they are all men of action
They will kick your front door down

[chorus]
You gotta concentrate on kink
In a concentration camp
All dressed up like little David
In a concentration camp

We get rid of foolish people
Brothers, sisters, cousins, aunts
Close relations and nosy neighbours
Cats and dogs and household plants

If you go along with the [????]
You can get a uniform for free
Shiny boots of soft black leather
Oh how proud your mum will be

[chorus]

Do what you wanna do, say what you wanna say
Lock 'em up in prison, throw the key away
Now the ones who laughed at you, thought you were a
clown
Will gamble fate against your hate, [throw them on the
ground?]

Now's the time to leave your wardrobe
Just forget your social events
Put it all out in the open
We could use your decadence

[chorus]
