It's burning holes into my heart  
To leave that face so tenderly  
I know that I can't stop the pain  
But oh, the pain cannot stop me

Into a heart, so lost and broken  
An angel seized the pain  
Swallow her breath, hold her to my chest  
I feel so warm in love again

Right from the first time, I made love with you  
I had nothing in life to compare that moment to  
But it's gotta be a sin  
Gotta be a sin  
Gotta be a sin  
Yeah, it's gotta be a sin  
Gotta be a sin  
Gotta be a sin

I wanna wake up really early  
Want the first thing that I see  
To be your eyes still softly closed  
And your lips waiting patiently

I know the saddest sight in this world  
Is you climbing out of bed  
Vision you are clipping on that bra  
Maybe we'll stay in bed instead

Right from the first time, I made love with you  
I had nothing in life to compare that moment to  
But it's gotta be a sin  
Gotta be a sin  
Gotta be a sin  
Yeah, it's gotta be a sin  
Gotta be a sin  
It's gotta be a sin

'Cos nothing, oh nothing  
That feels that good can be street legal  
Nothing, oh nothing, oh  
That feels that good has ever happened to me now

Just holding your hand is like making love  
Just standing next to you is like making love  
So let's tie our shirts together and rig up a sail  
Just want to do the things that we did before  
Oh, some more so

But it's gotta be a sin  
Gotta be a sin  
Gotta be a sin  
Yeah, it's gotta be a sin  
Gotta be a sin  
It's gotta be a sin

Oh it's gotta be a sin  
Gotta be a sin  
It's gotta be a sin  
Oh, it's gotta be a sin  
Gotta be a sin  
Gotta be a sin

It's gotta be a sin  
It's gotta be a sin
