I live the life that I've been left
I leave most things unspoken
But deep inside, Geronimo
Is tearing me apart

I've seen him in the streets
And I've seen him in the picture
Killer in the home
Killer in the home

Now's the time I must digress
From going through the motion
Take my head out of it's sling
Free the warrior

I'll fight him in my dreams
And I'll fight him till he kills me
Killer in the home
Killer in the home

Live the life that I've been left
Leave most things unspoken
Deep inside, Geronimo
Is tearing me apart

Seen him in the streets
And I've seen him in the picture
Killer in the home
Killer in the home

Oh well, they cut you in a half with a gun
And they give you a band aid
They cut you in a half with a gun
And they give you a band aid

Killer in the home
Killer in the home
Killer in the home
Killer in the home

Oh well, they cut you in a half with a gun
And they give you a band aid

Yeah, they cut you in a half with a gun
But they give you a band aid

Killer
Killer
Killer

Killer in the home
Killer in the home
Killer in the home
Killer in the home

Killer in the home
Killer in the home
Killer in the home
Killer in the home

Killer in the home
Killer in the home
Killer is the home
