A new royal family  
A wild nobility  
We are the family

A new royal family  
A wild nobility  
We are the family

A new royal family  
A wild nobility  
We are the family

I feel beneath the white  
There is a redskin suffering  
From centuries of taming

I feel beneath the white  
There is a redskin suffering  
From centuries of taming

No method in our madness  
Just pride about our manner  
Ant people are the warriors  
Ant music is the banner

A new royal family  
A wild nobility  
We are the family

A new royal family  
A wild nobility  
We are the family

No method in our madness  
Just pride about our manner  
Ant people are the warriors  
Ant music is the banner

And even when you're healthy  
And your color schemes delight  
Down below those dandy clothes  
You're just a shade too white

Shade too white  
Shade too white  
Shade too white

I feel beneath the white  
There is a redskin suffering  
From centuries of taming

I feel beneath the white  
There is a redskin suffering  
From centuries of taming
