A new royal family
A wild nobility
We are the family

I feel beneath the white
There is a redskin suffering
From centuries of taming

No method in our madness
Just pride about our manner
Ant people are the warriors
Ant music is the banner

And even when you're healthy
And your color schemes delight
Down below those dandy clothes
You're just a shade too white

Shade too white
Shade too white

I feel beneath the white
There is a redskin suffering
From centuries of taming
