Pick your honey up
Never let her go
Say you want an answer
The answer isn't no

Do it any style
Right across the floor
And when you feel exhausted
Then you know it's time for more

I love it when you tease
And better when you pose
But I can't kiss a lipstick
Or date a pile of clothes

You really got a bod
I saw it so I know
So why the sweats and baggy clothes
Like you don't have to show

Rebob the bebop
Doin' it doggie style

I wanna see you sweat
That would be unique
'Cause all that really matters is your
Manners & physique, yeah

Manners & physique
Manners & physique

I wanna see you sweat
That would be unique
'Cause all that really matters is your
Manners & physique

Pick your honey up, never let her go
Say you want an answer, the answer isn't no
When you gonna stop crawling on your back
Treating daily workout like an aphrodisiac

Rebob the bebop

Doin' it doggie style

I wanna see you sweat
That would be unique
'Cause all that really matters
Is your manners & physique, yeah

Manners & physique
Manners & physique

I wanna see you sweat
That would be unique
'Cause all that really matters
Is your manners & physique

Now you quit the drugs
And the messing around
But you be very careful
That you don't get muscle bound now

You've tuned up everything
Tighter than a drum
So tell me what's the point
If you don't share it with someone

Rebob the bebop
Doin' it doggie style

I wanna see you sweat
That would be unique
'Cause all that really matters
Is your manners & physique, yeah

Manners & physique
Manners & physique

I wanna see you sweat
That would be unique
'Cause all that really matters
Is your manners & physique

Manners & physique
Manners & physique

I wanna see you sweat
That would be unique
'Cause all that really matters
Is your manners & physique
